Brush Fire City of Carbondale

At 10 AM, Greenfield firefighters responded to assist Carbondale City firefighters at a brush fire next to a structure. Upon arrival, Carbondale firefighters quickly contained the fire and released Greenfield from the response.

Medical Emergency

Around 6:30 PM, crews responded to a medical emergency in the township. An elderly resident was having difficulty with her blood sugar levels and needed rapid transport to the hospital.

Tuesday, July 4

Medical Emergency

Mid-morning found emergency medical crews responding to a resident with breathing difficulty. Upon arrival, the crew found a female in a vehicle, with a history of heart problems, who was having difficulty breathing. Crews assisted by Cottage Hose (Carbondale) Paramedics transported the women to a Scranton hospital.

Work Session at Station

Greenfield Firefighters were busy at the fire station Tuesday night, for the regular departmental work session. Even though it was a holiday, there were tasks that still needed to be completed, so a small crew jumped in to "get'r done."

Friday, July 7

Mid-morning found emergency medical crews responding to a resident with a medical emergency. Upon arrival, the crew found a male fall victim with a possible broken arm. Crews assisted by Cottage Hose (Carbondale) Paramedics transported the man to a Scranton hospital.
