Weekly Report

September 17 - 24, 2006

Monday, September 18

Fire Assist to Clifford Township

Shortly before 4 PM, Greenfield crews were called to assist Clifford Township with a possible structure fire at the medical clinic on Route 374. Greenfield and Harford crews scanned the building in search of the cause of a smoke condition. A suspect ballast was identified and the building released to the property owner's electrician.

Wednesday, September 20

Assist to Dickson City

Greenfield was dispatched as part of the county-wide decontamination team to an incident at Lowes in Dickson City around 2 AM. Crews were presented with a number of workers who were exposed to a white powdery substance that caused skin irritation. Crews decontaminated seven people on scene.

Medical call

With no sleep from the hazmat incident, Greenfield ambulance responded to a medical call shortly after 9 AM. A female patient was transported to a Scranton hospital.

Medical call

Shortly after 2 PM, Greenfield ambulance responded to another medical call in the township. A male patient was transported to a Scranton hospital.

Disaster Drill

Approximately 6 PM, Greenfield crews were dispatched to Dunmore, as part of a county-wide exercise in support of the Berwick Power Plant. Greenfield crews worked with other county decon crews to set up decontamination stations in preparation of affected people evacuated from Berwick as part of the "simulated" exposure that needed to be decontaminated.

Ambulance Assist to Clifford

While Crews were operating in Dunmore, Ambulance crews were called to assist Clifford for a medical incident. Before the ambulance could respond, Clifford cancelled the Greenfield Ambulance.

Friday, September 22

Fuel Spill I-81

Greenfield crews responded to the North-bound rest area, for a small fuel spill. Crews contained the spill with pads and released the scene to the rest area staff for final cleanup.

Assist to Waymart

Just after 5 PM, Tanker 24 was requested to relocate to Waymart Borough, while more than a dozen Wayne County fire departments fought a raging barn fire just outside of Honesdale. Greenfield tanker was returned shortly before 1 AM on Saturday.

Assist to Clifford

Greenfield units were dispatched to assist Clifford Fire Department shortly after the tanker was sent to Waymart. Fire and EMS crews evaluated patients who were released from the scene.

Standby at Football Game

Approximately 6:30 PM, several members stood by at the Lakeland football game with the ambulance.

Saturday, September 23

Assist to Waymart

Greenfield Fire Engine was requested to Waymart just after 7 PM, to assist with a structure fire. The Engine was cancelled as it began to respond, due to the fire being small and rapidly controlled by Waymart firefighters.

Auction, fundraiser at Fire Station

Several members assisted with a firearms auction at the fire station. Regan Auctions conducted a public auction for the Estate of Robert Weber, that included firearms, ammunition, related memorabilia, reloading equipment and gun parts. The auction house provided a sizable donation to the fire company for use of the building. See Reagan Auction for more information <http://www.reganauction.com/index.html>
