

**Greenfield Township Volunteer Fire Company  
(GTVFC)  
Fire/EMS Station 24**

**Weekly Report**

**December 10 - 16 , 2006**

**Tuesday, December 12**

**Structure Fire, Justus**

Greenfield's Engine was called to assist Justus Fire Co. for a structure fire on Johnson Road approximately 1 AM on Tuesday morning. The Greenfield Engine responded as a part of the second alarm assignment and was initially sent to relocate to Justus's Station. As the Engine approached Justus, it was rerouted to perform fill site operations at the intersection of Rt 632 and Johnson Road. Later on in the incident, Greenfield's Engine was sent on its original relocate assignment and returned approximately 5 AM.

**Wednesday, December 13**

**Work Session**

Members took the opportunity to have a morning work session to set up for the Annual Breakfast with Santa. Members spent approximately two hours setting up the hall.

**Medical Emergency, Route 106**

Greenfield Ambulance was dispatched to a medical emergency on Route 106 at approximately 1 PM, luckily there was still an ambulance crew at the station from the morning work session. Greenfield Ambulance and Cottage Paramedics transported an area man to the hospital.

**Thursday, December 14**

**Medical Assist, Clifford Township**

Greenfield Ambulance Crews were sent on a medical assist in Clifford Township while they were out on another incident. Cottage Paramedics were already on scene and handled the incident.

**Friday, December 15**

**Work Session**

Members held an evening work session to ensure that everything was decorated and set up for Sunday's breakfast.
