Sunday June 24

Greenfield Township Certifies Two More Firefighters

A busy day for many area firefighters as the Upper Lackawanna Recruit Program headed South to Bucks County Community College in Doylestown, PA, to complete their practical skills required to be certified to the NFPA 1001 standard as Firefighter 1.

Greenfield Township's newest certified firefighters are:

- John Apostolakes
- Clare Kerl

Greenfield now has 17 active certified firefighters with 15 certified at the Firefighter 2 level.

The certification test comes after the conclusion of months of hard work including numerous hours of basic skills training and a structural burn session.

Along with our two, firefighters from Clifford Twp Fire Co, Factoryville Fire Co, Hop Bottom Hose Co, Meredith Hose Co. (Childs), White's Crossing Fire Co, Archbald Hose Co. 1, Gratthen Singer Hose Co, Wilson Fire Co, Nicholson Fire Co and the Carbondale Fire Dept. successfully completed their exam.
