**Weekly Report**

**April 1 - 6, 2009**

**Week In Review**

**Wednesday, April 1**

**Stand-by City of Carbondale**

At 12:30 Greenfield's engine was dispatched on a second alarm assignment for a motor vehicle accident on Casey highway. Carbondale Engine was requested to the scene. Greenfield's engine relocated to Carbondale Station to cover calls in the city while Carbondale crews operated on the motor vehicle accident.

**Thursday, April 2**

**Brush Fire Carbondale Township**

At 8:50 p.m. Greenfield's tanker was dispatched to assist Station 60 in Carbondale Township for a large brush fire. Chief 60 arrived on scene and quickly held Tanker 24 at station.

**Friday April 3**

**Pizza Sale**

Weekly pizza sale during Lent. Special thanks to everyone who helped during the fundraiser.

**Saturday, April 4**

**Medical Emergency Decker Road**

At 10:21 a.m. Greenfield Ambulance was requested for a lift assist on Decker Road. Greenfield EMS assisted in a patient lift and no transported needed.

**Structure Fire Malinchak Lane**

At 8:45 p.m. Greenfield Engine, Tanker and Ambulance was dispatched to Malinchak Lane in Greenfield Township. Chief 24a arrived on scene and notified com center of an error that this would be Station 24 coverage area also reporting a two-story residential with nothing showing from the exterior. After several minutes a light smoke condition was noticed coming from the eaves and the first alarm box was filled for a working structure fire. The fire had spread to a void space between the stone fireplace and chimney wall. The roof was opened and class A foam was used to put out the fire. The Stone fireplace had to be removed. Crew operated for over six hours on scene. View photos at:
